

Get vaccinated for COVID-19

Vaccinate
Santa Clara
County

All vaccines are provided at no cost.

There are different types of vaccine. The type you get may require two doses.

All vaccines are safe and effective.

Vaccines were tested with tens of thousands of volunteers of different ages, races, and ethnicities.

People at highest risk will get the vaccine first

You may feel side effects

Like other routine vaccines, you may get a sore arm, fever, headaches, or fatigue after getting vaccinated. These are signs the vaccine is working.

Stay safe

After you get the vaccine, wear your mask, stay at least six feet apart, and stay home as much as possible while everyone continues to get vaccinated.
