

Bellarmino Illness Protocol

In school –

1. If your son is not feeling well throughout the school day, he should check in with the dean's office.
2. The dean's office will send the student to the athletic training room for a rapid antigen covid test.
3. Upon a negative test, the student will be sent home.
 - a. Criteria for return to school:
 - i. Improvement of symptoms
 - ii. Fever free for 24 hrs. without the aid of medicines.
4. Upon a positive test, the student will be isolated, sent home, and enter the covid protocol (see below), and the family will be notified immediately.

A. Bellarmino COVID-19 Protocol

If you have tested positive for COVID-19, you must stay home for at least 5 days. A negative test on Day 5 or later, symptom improvement, and NO fever for 24hrs; you may return to school/work (with proof of negative test). It is recommended that you wear a mask for up to 10 days while around others. If you are unable to test negative during the 10-day infectious period, you may return on Day 11 without a negative test.

Out of school -

1. If your son misses school for an illness, you must call the attendance line (408-294-0645) to report.
2. You must have a negative covid test to return to school.
 - a. A negative can be obtained a couple of ways
 - i. By your primary health care provider
 - ii. A home rapid antigen test
 - iii. At Bellarmino by contact Ms. Giangarra at 408-537-9235 or cgiangarra@bcp.org
3. Your son must have improvement of symptoms
4. Your son must be fever free for 24 hrs. without the aid of medicines
