

**V. Ronald Pine '57** has the distinction of being Bellarmine College Prep's first professional fundraiser, having been hired by then president Fr. Bob Mathewson, S.J. in 1977. For more than 46 years, Ron devoted his career to the betterment of Bellarmine, raising millions of dollars for the advancement of the school, its students, and its mission. In short, Bellarmine would not be what it is today without the decades of good works and dedicated service of Ron Pine. We are pleased to recognize Ron with the naming of the Lobby at the new Wade Academic Center.
