

Bellarmino Dads' Club Board of Directors

2024 Application

Commitment

Founded over 85 years ago, the Bellarmine Dads' Club has dedicated its efforts to modeling what it means to be "Men for and with Others." We do this by:

- Organizing and supporting events and programs that provide opportunities for families and their sons to bond;
- Assisting Bellarmine's President, Vice President for Advancement, and other administrators in accomplishing designated objectives;
- Working to increase awareness of and participation in the school community.

The Dads' Club is composed of all Bellarmine dads and father figures. Every year, the Dads' Club serves over 1,000 volunteer hours and contributes tens of thousands of dollars towards athletics and the Bellarmine Outreach Program through our activities.

The Dad's Club Board manages the programs and events of the Dads' Club and are lead volunteers and evangelists for the Dads' Club activities. As a member of the Dad's Club Board, you will be asked to be active in several of the activities each year...approximately one to two a month. We expect that you will eventually chair one or more activity committees during your tenure. The expectation is that Board members serve a four-year term beginning when their son is an incoming freshman. In addition, your attendance at Dads' Club Board meetings is required. While we recognize there may be personal and professional schedule conflicts that occur during the year, these should be rare. Please consider the time you have to participate prior to sending in your application.

For more information on the Dads' Club go to: www.bcp.org/dadsclub

If you have the time and energy to commit to serve on the board, please fill out, save and email the completed application no later than **11:59pm on May 31, 2024, to John Bucks at john.bucks@gmail.com.**

Thank you,

God Bless and GO BELLS!
