NETWORK

Cast List

To the auditioners:

Thank you so much for trying out. 28 auditioned for what turned out to be 16 roles. The talent on display was exceptional, and I very much wish I could've offered a role to everyone. If you did not get a role this time, don't be discouraged! Everyone who auditioned auditioned well, and was seriously considered. The decisions often came down to factors having nothing to do with your acting ability, like honoring seniority, comparing conflicts, "fit" for the roles, etc. Seniors excepted, we look forward to seeing you all at auditions again next year!

To those cast:

Congratulations! Our first rehearsal is Monday afternoon at 3:45pm in the Black Box Theater. PLEASE BRING A **PENCIL** and a **BINDER**: a photocopied, hole-punched script with set diagrams will be provided Monday. Keep an eye on your email at least once a day for future communications.

To the A.D.s/Understudy:

Thank you for your willingness to join us in this important capacity. Please be with us on Monday, and I can discuss your duties, the schedule, etc.
